PLEASE KEEP THE COUNTRYSIDE TIDY

A 'THANK YOU' FROM THE SPONSORS

I would like to thank all of those who flatter us with their demands for places in the S.L.M.M. each year.

I would also like to offer our sincere commiserations to those who were unable to reach that first "checkpoint" of acceptance.

It really saddens me to refuse entry to so many 'would be' competitors, but these days, the lists are usually full before Christmas and we cannot impose further demands upon the environment and risk having the event banned altogether which is what would happen if the number of competitors were to be increased.

Once again, my sincere thanks for your continued support and understanding.

Bob Saunders.

FROM THE EVENT ORGANISERS

We would like to thank the following for their support of the SLMM '94:-

The National Trust

North West Water

The Lake District National Park

St. John Ambulance

Grasmere Sports Committee

Stool End Farm

and especially thanks to The Backpackers Club for marshalling every checkpoint over the weekend.

Disqualifications

To be disqualified must always be a disappointment. However disqualification due to mis-punching could be avoided by checking that the marker you have arrived at has the code given for that marker on your routes control description. This is the competitors responsibility!

Please send any (constructive) criticism, ideas for improvements, etc., to the organisers c/o Robert Saunders. We are always open to suggestions.

Finally, as most years we have a number of items handed in as lost property. Many are claimed, but this year we are left with quite a large bunch of keys on a distinctive key ring, if these are yours please phone 05394 88271 with a description.

See you all next year!

OBSERVATIONS FROM THE EDITOR

Well, the 17th S.L.M.M. has now become history. All in all, it was one of the best we have had so far although we are still learning.

The pre-marathon period still remains a headache with phone calls and letters from disappointed would be entrants.

We are also plagued with requests by competitors asking what the essential equipment is necessary.

Although this is clearly printed on the front of the application forms, I shall refresh your memories by printing them again herewith.

RULES

1. All competitors must hand in their control card to an official, even if they are retiring, otherwise the mountain rescue may be called out.
2. All competitors must follow the Country Code. In particular it is forbidden to climb walls or fences. Enclosed farmland may only be crossed on a public right of way.
3. Every pair must remain together at all times except in the event of an emergency.
4. Each individual competitor must wear or carry the following at all times:
Suitable footwear, Rucksack, Sleeping Bag, Sweater, Long trousers, Waterproof jacket with hood, Waterproof overtrousers, Torch with min. 3v battery, Compass, Whistle, Pen/Pencil.
5. Each team must carry at all times:
Tent including groundsheet, Poles and pegs, Stove/Fuel blocks, Matches, Food for 2 days, Emergency food, Plasters and Bandage.

SLMM T-Shirts. The supply of T-shirts which include the year and venue of the event can only be guaranteed by a prepaid advance order. This year, we had a few extra in stock but these were rapidly sold. The safest bet is to order in advance.

PHOTOGRAPHS. If any competitor (or marshal) has taken any unusual or interesting photographs of the event, we would be pleased to receive and consider them for publication in future booklets.

An exciting new range of 'UNISEX' leisurewear in attractive design and colour combinations. Naturally wind resistant, breathable, and kind to the environment of your body. Completely permeable, the fabric will tight pack and fast dry. It will permit your body to breathe naturally through pores that will allow the natural release of moisture molecules produced by perspiration in conditions of exertion.
