PLEASE KEEP THE COUNTRYSIDE TIDY

A FEW WORDS FROM THE EDITOR

This years SLMM – the 14th, elicited more bouquets and fewer brickbats than any of the previous 13 events and organisers Martin Bagness and Charlotte Webb are to be complimented on putting on a really first class week-end.

The main camp site was excellent with ample space and good facilities and the same can be said for the overnight campsite.

From the catering angle, Wilfs Cafe excelled themselves. Ample supplies of food and unlimited quantities of drink right up to the end of the event. Most important for late finishers who really are in need of refreshment.

Reaction to the routes was generally good although the preference was for a longer first day and a shorter second day.

Plans for next years SLMM are now under way and improvements being sought. It is hoped that arrival time at the main campsite can be brought forward by several hours to perhaps mid-afternoon. 7pm. is a bit late we think.

Organising an event like the SLMM entails a vast amount of work, generally starting as soon as the previous one has finished. The stalwart efforts of Martin Bagness and Charlotte Webb are visible to all during the two days of the event.

What is not seen however is the work behind the scenes carried out by the staff of the sponsors, Bob and Joan Saunders. Processing a thousand entries up to programme stage is no small task deserving of a vote of thanks for their efforts.

Our thanks also to Mountain Equipment Ltd., SILVA, and DB Mountain Sports Ltd., who generously donated prizes for the event.

Then of course there are the marshals. What would we do without them. Members of the Backpackers Club have been carrying out these essential duties since 1978 and are worthy of the highest praise for their sustained efforts. Here is the list of this years stalwarts.

Finally, we come to a most important item. Queries, complaints, cancellations, applications for refunds etc., **MUST BE SUBMITTED IN WRITING AND UNDER NO CIRCUMSTANCES WILL BE DEALT WITH ON THE TELEPHONE.**

The entry form for the SLMM clearly states that confirmation of acceptance will not be sent to you but final details in the form of an event programme will be sent to successful applicants during the month of June. Unsuccessful applicants will be notified by return of post with their entry fee refunded. In other words, if you don't hear from us - you're in.

A complete results booklet is sent to all participants as soon as possible after the event so **PLEASE**, don't telephone to ask for your individual placings. The final results go to the printers as soon as they arrive from the event organiser and we just don't have them in the office.

On the question of cancellations. Refunds in full will be made up to **6 WEEKS PRIOR TO THE DATE OF THE EVENT.** After that, partial refunds **MAY** be made at the organisers discretion and any such applications must be made in writing. **NOT** by telephone.

Hope to see you all next year.

A 'THANK YOU' FROM THE SPONSORS

Dear Competitor,

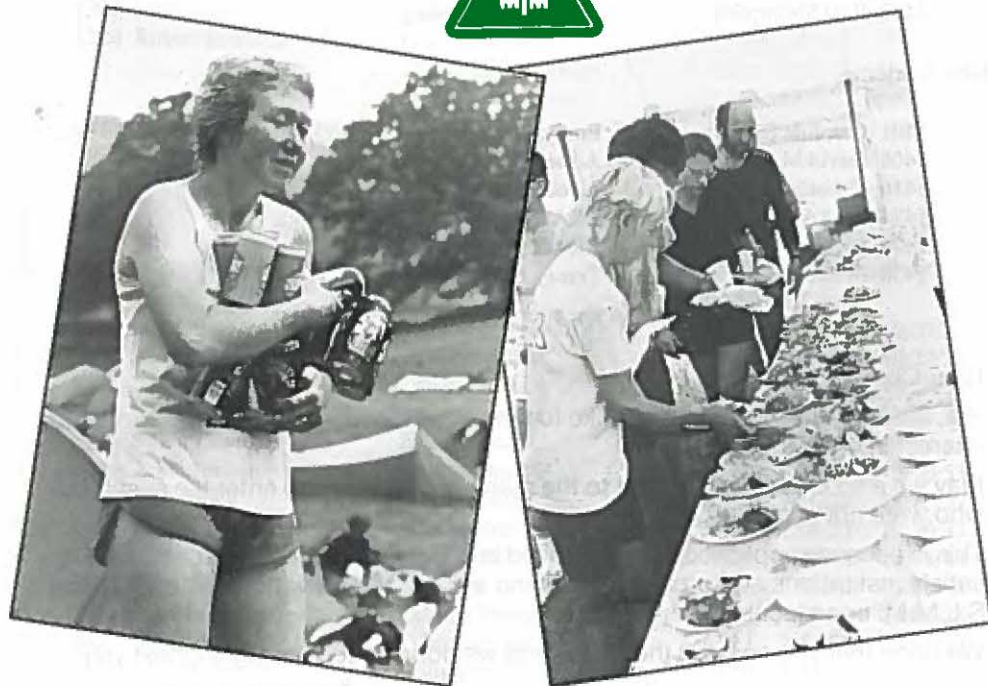

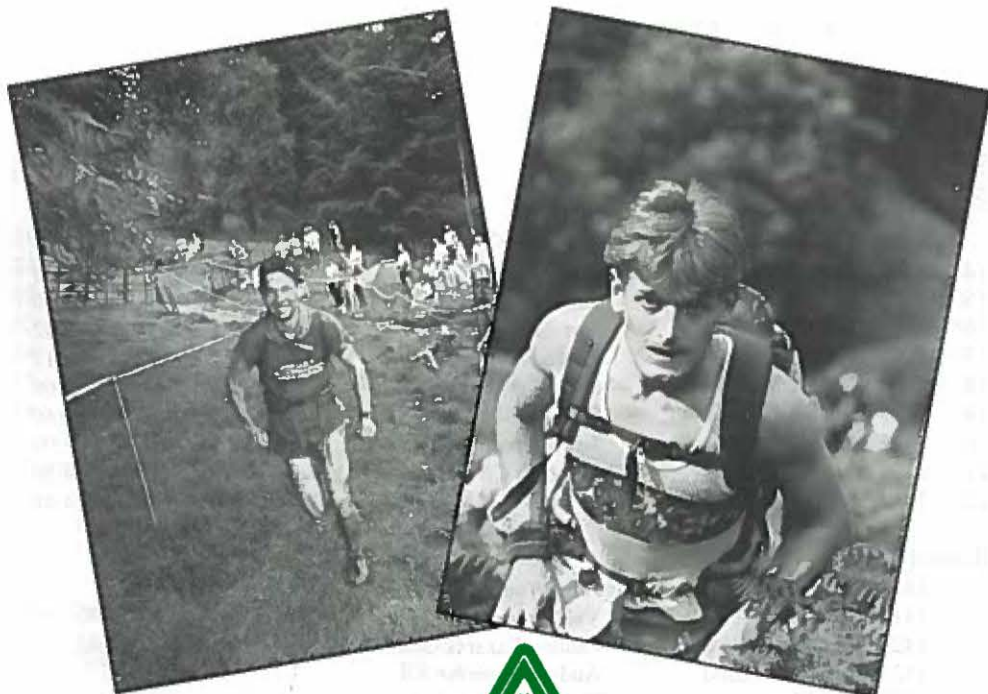

We, the Saunders family, would like to thank you for your continued support and interest in the S.L.M.M.

May we also express our regret to the many, who applied to enter the event, but who were not accepted.

This is because applications are received in excess of the number acceptable, to satisfy institutions and organisations who are concerned with the impact of the S.L.M.M. upon local environment.

We hope that you enjoyed the event, and we hope to see you again, next year.

Bob and Joan Saunders.
