Saunders Lakeland MOUNTAIN MARATHON Results

PLANNER'S / ORGANISER'S COMMENTS

Firstly, we hope that everyone enjoyed the event (at least in retrospect!).

Please feel free to send in any comments on how the event can be improved. This was the seventh Saunders we have organised, and with each event we have made fewer and fewer changes. This is partly because the event is running more smoothly, but perhaps we are also running out of new ideas! So any fresh thoughts would be most welcome.

Work on next years event has already begun, with letters going off to the main land owners. In addition, we will be contacting tenant farmers and the National Park and conservation authorities over the course of the year. Access and conservation are always major issues with mountain marathons. For example, the Saunders will never be able to use the northern Lakes around Skiddaw or Grasmoor because certain protected bird species nest in the heather in early July. Fortunately the Saunders now has a long history in the Lakes – next year will be the 20th – and the event is now accepted and understood by the National Trust and National Park authorities.

Grateful thanks are due to:
Wasdale Mountain Rescue Team (involved in a call-out)
Ambleside and Langdale Mountain Rescue Team
The Backpackers Club (checkpoint marshals)
The National Trust (main land owners)
English Nature
The Lake District National Park
The Eskdale Commoners Association
Mr Keith Rowland (event centre farmer)
Mr Postlethwaite (mid-camp farmer)
All the volunteer helpers who turned out at the weekend

We look forward to seeing everyone again next year!

Charlotte Webb (event centre and mid-camp organiser)
Martin Bagness (courses and access permissions)

Providing toilet arrangememts for a thousand people is always a problem. This year it cost £1500 and was far from satisfactory. Suggestions for improvement welcomed.

A WORD FROM THE SPONSOR

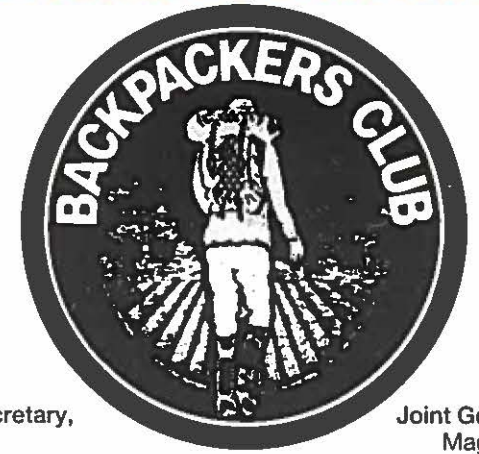

I would like to thank all the participants in this years SLMM for their presence at the event, also to those who personally thanked me for my involvement in the event. It was good to see so many smiling faces upon completion of the event, albeit that the ability to smile had first to overcome the hurdle of exhaustion. The whole weekend was superb and every bit as good as last year – this together with the added bonus that, in defiance to the predictions, the weather was unexpectedly kind to us.

I often wonder how long Martin can continue to come up with these various course masterpieces, so admirably supported by Charlottes organisational abilities. This with the assistance of her helpers and Alan Stilings involvement with those members of the Backpackers Club who are listed elsewhere, with Tony Anthony the Editor and my daughter Caroline. All I can say is 'what a marvellouos team'. All this of course, gives rise to the fear that the popularity of the event will continue to increase and to therefore increase the number of people who will be disappointed, this simply because we are not permitted to exceed 1,000 participants.

We will continue to allocate places on a 'first come first served' basis, and to be fair, all those would be participants who send in s.a.e's throughout the year will receive application forms at the same time as we send out the Results Booklet which will also contain application forms. No doubt we will have to devise a system whereby a percentage of newcomers will be allocated places at some time in the future.
